

## Sand Casting

5 Kgs to 5000 Kgs Single piece weight

### **Moulding process:**

- Machine moulding & Hand moulding (CO2 moulding, No bake moulding)

### **Castings we manufacture for:**

#### **Pump Manufacturer:**

Casing (with pressure tested up to 200BAR) Open & Closed Impellers with dynamic balancing Stuffing Box, Padestal < Front Cover etc.

#### **Valve Manufacturer:**

- Body, Bonnet, Dist etc. with X-ray testing
- Engineering Insustries & Mining Industries
- Defence & Marine applications
- Drives & Transmission Industries(Gears,Couplings & Motor manufacturers)
